Library to Install Self-Checkout Machines at Irving Schwartz Branch

Library Branch Will Close During Installation

EL PASO, Texas — The El Paso Public Library will be closing the Irving Schwartz Branch Library located at 1825 Dean Martin Dr. starting Wednesday, March 2 through Friday, March 4 to add self-checkout stations.

The new stations will enhance the interior of the library and improve customer experience by making it possible for customers to checkout materials automatically.

The Irving Schwarz Branch Library will reopen on Monday, March 8 on a regular schedule.

In the meantime, library customers can use the Esperanza Acosta Moreno branch located at 12480 Pebble Hills, the Judge Marquez branch located at 610 N. Yarbrough or any of the other open library locations.
